WELCOME FROM THE CEO OF BASEBALL QUEENSLAND

Baseball Queensland would like to welcome all players, coaching staff, officials and supporters to Indians Baseball Club for the 2023 Little League State Titles this April.

Over the course of three days at Wakerley Park, Runcorn, teams will go head-to-head and battle it out to see who will reign supreme. Indians Baseball Club will host David Nilsson Little League Division 1, Little League Division 2 and Junior League Division 1.

Many thanks also to the Coaches, Scorers and Umpires for their many hours working in support of this event. It is an honour and a privilege to showcase the best talent in Queensland and we are expecting this year's State Titles to produce some quality contests on the field.

On behalf of Baseball Queensland and the Board of Management, I would like to once again thank everyone involved in making this unique opportunity to bring the baseball community together.

GARETH JONES

Baseball Queensland

WELCOME FROM THE PRESIDENT OF INDIANS BASEBALL CLUB

I would like to acknowledge the traditional custodians of the land where we operate, the Jagera & Turrbal peoples of Australia. I pay my respect to the elders, past, present, and emerging, for their continued custodianship and connection to the land, waters, and culture.

I am thrilled to welcome you to the 41st year of Indians baseball, as we co-host the Little League Queensland State Titles with the Redland Bay Rays. We are excited to have the opportunity to showcase our facilities and to welcome players, officials, and volunteers from across the state.

I hope that you will enjoy some great baseball games during the titles, and that the weather will be fine and sunny for all to enjoy. We know that the teams have been working hard to prepare for this event, and we wish them all the best of luck.

I am also thrilled to see the sport of baseball grow, not only in our region but across the state and the nation. I hope that this event will inspire young players to continue their love for the sport and to pursue their dreams of playing at higher levels.

I want to extend a special thank you to all the officials and volunteers from both teams who have worked tirelessly to make this event possible. Your dedication and commitment to the sport of baseball is truly appreciated, and we could not have done it without you.

So let's play ball! I look forward to seeing some great games and to cheering on all of the players as they compete in the Little League Queensland State Titles.

Welcome to all players!

It's exciting to hold the Little League State Titles in our local area this year in 2023! I would like to welcome all the young players and their families here from all over Queensland and I know you will have a great time and a great competition. I'd like to thank the clubs and their hard-working officials for making it possible for all these young players to meet on and off the field and to provide a platform for young players to showcase their skills and compete at the highest level. I wish you all the best of luck and a great tournament!

IMPORTANT INFORMATION

Baseball across Australia recently adopted a range of rules and practices to speed up the game. The concept behind this policy is to potentially provide participants with more participation opportunities that will result in more At Bats and more innings being played in the same time frame. A key part of this process identifies a need to encourage all Umpires to expand the strike zone. It is in this regard that we ask that you consider the Umpire's role in effecting this change and we ask that you support our officials in their efforts to improve the game.

Six pitch locations, all out of the strike zone. Six consecutive home runs for Miguel Cabrera. Sure he's exceptional. At this time the zone within which he could consistently drive the ball, was bigger than the strike zone.

Encourage hitters to be aggressive so they can explore their potential to develop into a better hitter in the long run.

IMPORTANT INFORMATION

Encouraging hitters to be aggressive on any pitch they think they can hit hard can give the hitter a foundation to refine themselves into a better hitter later in life. They either get better at driving balls pitched in a wider variety of locations or at the very least they figure out their strengths and weaknesses through trial and error. If the hitters are aggressive at the plate, they put the ball in play earlier in their at bat and more often. This makes the game move along and makes for a better spectacle for all. In addition, the defense get more opportunities to attempt to make plays.
