WELCOME FROM THE PRESIDENT OF REDLANDS BASEBALL CLUB INC.

Our club and its members would like to sincerely welcome all of the participants, supporters, and spectators to the upcoming State Titles. The Redlands Baseball Club has a decades-long history of providing a place where baseball is celebrated and a sense of supportive community is fostered and we welcome you in this spirit.

We acknowledge that we play this great game on the Quandamooka first nations lands and we pay our respects to their elders past, present, and emerging and we extend this acknowledgment to the players and supporters of all first nations peoples.

We extend our thanks to the many officials, volunteers, and families that will be coming together to make this an exciting three days of baseball. And most importantly we look forward to supporting the players in this great game!

We wish you an enjoyable, safe, and inclusive carnival filled with baseball highlights.

LUKE TRANTER

PRESIDENT

Redlands Baseball Club Inc.

WELCOME FROM THE CEO OF BASEBALL QUEENSLAND

Baseball Queensland would like to welcome all players, coaching staff, officials and supporters to Redlands Rays Baseball Club for the 2023 Little League State Titles this April.

Over the course of three days at Duncan Road, Sheldon, teams will go head-to-head and battle it out to see who will reign supreme. Redlands Rays Baseball Club will host Tee Ball & Rookie Ball Carnival, Intermediate League and Senior League Division 1.

Many thanks also to the Coaches, Scorers and Umpires for their many hours working in support of this event. It is an honour and a privilege to showcase the best talent in Queensland and we are expecting this year's State Titles to produce some quality contests on the field.

On behalf of Baseball Queensland and the Board of Management, I would like to once again thank everyone involved in making this unique opportunity to bring the baseball community together

GARETH JONES

CEO

IMPORTANT INFORMATION

Baseball across Australia recently adopted a range of rules and practices to speed up the game. The concept behind this policy is to potentially provide participants with more participation opportunities that will result in more At Bats and more innings being played in the same time frame. A key part of this process identifies a need to encourage all Umpires to expand the strike zone. It is in this regard that we ask that you consider the Umpire's role in effecting this change and we ask that you support our officials in their efforts to improve the game.

Six pitch locations, all out of the strike zone. Six consecutive home runs for Miguel Cabrera. Sure he's exceptional. At this time the zone within which he could consistently drive the ball, was bigger than the strike zone.

Encourage hitters to be aggressive so they can explore their potential to develop into a better hitter in the long run.

IMPORTANT INFORMATION

Encouraging hitters to be aggressive on any pitch they think they can hit hard can give the hitter a foundation to refine themselves into a better hitter later in life. They either get better at driving balls pitched in a wider variety of locations or at the very least they figure out their strengths and weaknesses through trial and error. If the hitters are aggressive at the plate, they put the ball in play earlier in their at bat and more often. This makes the game move along and makes for a better spectacle for all. In addition, the defense get more opportunities to attempt to make plays.
