WELCOME FROM THE PRESIDENT OF SURFERS PARADISE BASEBALL CLUB

The Surfers Paradise Baseball Club together with the Robina Braves Baseball Club welcomes all competitors and supporters to the Gold Coast for the 2023 Queensland Masters Tournament.

This is the third masters event that we have partnered Baseball Queensland to offer male and female participants a wonderful opportunity for a competitive event and social interaction.

This year we have 20 teams participating and for the first time 6 women's masters team are included. It is the clubs' goal to ensure that you have an enjoyable time on the Gold Coast and build new relationships in our sport.

We welcome players, coaches, officials, families, and friends and confirm that the event has been designed to provide all visitors and competitors, maximum time for playing Baseball over 3 days.

We wish you the best sporting luck and a positively memorable time. Your enjoyment in being part of this event is our objective and we would love to see you return and compete again in the future.

The clubs are honoured to be your hosts.

Thank you.

TONY MCPHAIL

PRESIDENT

Surfers Paradise Baseball Club

WELCOME FROM THE CEO OF BASEBALL QUEENSLAND

Baseball Queensland would like to welcome all players, coaching staff, officials and supporters to Surfers Paradise Baseball Club and Robina Braves Baseball Club for the 2023 Queensland Masters Tournament this April.

Over the course of three days, teams will go head-to-head and battle it out to see who will reign supreme. This year's tournament will host 35+ years Division 1 and Division 2, alongside a 25+ years Women's Division for the first time.

Many thanks also to the Coaches, Scorers and Umpires for their many hours working in support of this event. It is an honour and a privilege to showcase the best talent in Queensland and we are expecting this year's Masters Tournament to produce some quality contests on the field.

On behalf of Baseball Queensland and the Board of Management, I would like to once again thank everyone involved in making this unique opportunity to bring the baseball community together.

GARETH JONES

CEO

IMPORTANT INFORMATION

Baseball across Australia recently adopted a range of rules and practices to speed up the game. The concept behind this policy is to potentially provide participants with more participation opportunities that will result in more At Bats and more innings being played in the same time frame. A key part of this process identifies a need to encourage all Umpires to expand the strike zone. It is in this regard that we ask that you consider the Umpire's role in effecting this change and we ask that you support our officials in their efforts to improve the game.

Six pitch locations, all out of the strike zone. Six consecutive home runs for Miguel Cabrera. Sure he's exceptional. At this time the zone within which he could consistently drive the ball, was bigger than the strike zone.

Encourage hitters to be aggressive so they can explore their potential to develop into a better hitter in the long run.

IMPORTANT INFORMATION

Encouraging hitters to be aggressive on any pitch they think they can hit hard can give the hitter a foundation to refine themselves into a better hitter later in life. They either get better at driving balls pitched in a wider variety of locations or at the very least they figure out their strengths and weaknesses through trial and error. If the hitters are aggressive at the plate, they put the ball in play earlier in their at bat and more often. This makes the game move along and makes for a better spectacle for all. In addition, the defense get more opportunities to attempt to make plays.
