

BASEBALL QUEENSLAND INCLUSION COMMITMENT STATEMENT

Baseball Queensland recognises that inclusion is about making sure our organisation reflects the diversity of our local community and we are committed to working towards achieving this.

We commit to developing clear strategies and policies to achieve inclusion and remove discrimination within our organisation and we commit to establishing clear targets for measuring success.

We commit to promoting a safe, welcoming and respectful culture where everyone feels welcome and accepted regardless of age, gender, ability, socio-economic status or cultural, ethnic or religious background.

We commit to informing, supporting and empowering our members and all others involved with Baseball Queensland in relation to inclusion and diversity issues.

We commit to ensuring our sport activities consider the individual needs of participants and are appropriate to the level of development and skill. Where necessary we will make adaptations and modifications to cater for individual needs.

In making this commitment we recognise that our organisation has an important role to play in leading our community towards ensuring everyone has the chance to participate in baseball at the level and in the roles they choose.

Baseball Queensland is a valuable part of our community. We have an opportunity to shape the culture of not only our organisation but the wider community by ensuring Baseball Queensland is a welcoming, safe and accessible organisation for all.
