2024/2025 CAPITATIONS

BASEBALL AUSTRALIA AND BASEBALL QUEENSLAND

Dear BQ Members,

The information contained in this memo outlines the Baseball Australia (BA) and Baseball Queensland (BQ) capitation structure for the 2024/25 membership year, commencing on the 1st of September 2024 and concluding on 31st of August 2025. Please note that some clubs will commence selling memberships as early as July 2024.

IMPORTANT INFORMATION

All Memberships - Insurance

All membership categories are covered by the BA National Insurance Policy, included within the capitation price outlined. Memberships featuring # are covered for the full duration of the membership year (01/09-31/08). Other memberships are covered for the duration of the specific event or competition.

Little League

- The price of the Little League membership category is inclusive of the Little League International Levy.
- All members of a charter (including minors) must be registered for a charter to be eligible for progression through the Little League competition framework.

Membership Refund Policy

Please access our [Membership Refund Policy here](#).

No “Top Up” to Full Membership Available

There are no options to pay a “top up” fee from any program, or other form of membership to a full season membership.

Members who may play in more than one event or would like to be eligible for selection to a Queensland Representative team are urged to consider the value of a full-season membership.

e.g. If a player buys a Tournament or Short Season membership to play in a tournament or short season then decides they want to be eligible for selection to a Queensland Representative team, that player will need to pay the full fee for a full membership even though they have already paid to play in a specific event.
