5. In 150 words or less, please summarise why you believe the nominee is a worthy candidate for Baseball QLD Coach of the Month. \*

Scott has contributed to his teams development and love of the game. He encourages batters to swing and develops their skills at all times which has shown all players continually improve from year to year and during the year. From a personal perspective, our son has struggled to stick with a sport and enjoy it, but Scott managed to get him enjoying the game first, recognising the contribution of small actions, to then develop skills to have even more meaningful contribution, that he has never felt in any other sport. With the encouragement of Scott, our son has been to a number of rep team trials to be involved, give it a go and keep playing baseball even though he's not at selection level. Scott makes training and the games FUN and the players have a great time.
