4. Basis for your Nomination \*

*i.e. the nominee's role and contribution to umpiring and Baseball in QLD that forms the basis of your nomination*

The umpiring Stephen does for many clubs is exceptional, I gave him 1 hrs notice one day as our umpire had been taken to hospital out of the blue and he was still there 30 mins before the game ready to go so the kids could play

One of the nicest blokes in the game and his umpiring continues to grow

Keep up the good work Stephen

5. In 150 words or less, please summarise why you believe the nominee is a worthy candidate for Baseball QLD Umpire of the Month. \*

Same as answer 4

Great bloke , great umpire can't do enough to improve his game , taking more and more games and listening to the advice of more senior umpires

Just last week he umpired the intermediate league state titles at Redcliffe over 9 hrs at the field after being at pine hills the night before umpiring the semi final of senior league Div 1 and then after 9 hrs at the field on the Thursday then went to pine hills to plate the grand final SI

On Friday morning there he was again at Redcliffe from 730 am for the next 3 days

Not to mention the weekend before spending 4 days at Pine hills for senior league over the rain effected titles

Just giving his all so kids can play baseball

I can't say enough to what he has done and continues to do
