5. In 150 words or less, please summarise why you believe the nominee is a worthy candidate for Baseball QLD Volunteer of the Month. *

Throughout the season Will has been extremely busy and eager with grounds at his home club (Narangba). Whenever we have travelled to Demons for club rounds, he has always been there, boots on, ensuring the fields are looking amazing, lines marked, bases fitted and anything else needed is available. Will often then suit up to umpire as well as taking off to play his own games.

Will was then instrumental in the success of the 2024 State Titles as an integral part of the grounds crew. From early until late everyday, he was amazing zipping about ensuring everything was ready for games to play, always keen to help and with a smile on his face. When popping at the canteen to grab a drink, he was often helping there as well with stocking fridges etc. A fine example of the younger generation keen to ensure the game continues to grow.
