BACKGROUND

This charter governs the operations of the Greater Brisbane League (GBL) Competition Committee. The Board of Management of Baseball Queensland in accordance with Section 3.11 of the Baseball Queensland Incorporated Constitution has established the GBL Competition Committee (GBLCC).

PURPOSE

The objective of the GBLCC is to administer the GBL Competition in partnership with the affiliated clubs to ensure a fair and balanced competition structure and to maintain a safe and enjoyable playing environment for all participants.

The GBLCC shall have reasonable access to:

- a. the Baseball Queensland Board;
- b. the appropriate Baseball Queensland staff; and
- c. any expertise within the membership of Baseball Queensland.

CONFLICT OF INTERESTS

As the greater majority of GBL Competition Committee members are also members of GBL Clubs, there will be a greater than usual potential for conflict of interests. It is acknowledged that GBL Competition Committee members are working for the greater good for the sport and the GBL competition and not specifically for the benefit of their member Club.

As such, it is vital that where there is a conflict of interests or even the potential, perceived or actual conflict of interest, that members concerned need to refer to the BQ COI policy and immediately remove themselves from the matter until such time the matter has been deemed resolved. The minutes of the meeting need to reflect this redaction by the member at all times.

MEMBERSHIP OF GBL COMPETITION COMMITTEE

The GBLCC consists of a minimum of six (6) and a maximum of ten (10) voting members. A BQ rep, QBUA member, and a QBS member may be appointed as non-voting members. The term of an elected Committee member is two (2) years. At the conclusion of each summer baseball season, 50% of the members of the GBLCC must retire from office, but are eligible, on nomination, for re-election.

ELECTING THE GBL COMPETITION COMMITTEE MEMBERS

At the conclusion of each summer baseball season and no later than the end of June each season, an election for half (50%) of the GBLCC will take place. The format for elections will be as follows:

- 1) Each GBL Club may nominate one person to be elected to the GBLCC.
- 1) The nomination will be sent to the GBLCC Secretary via email along with confirmation of current blue card details. The list of nominated persons will then be distributed to all GBL Clubs, if the maximum amount of 10 nominations is exceeded. Each Club will then reply via the nominated digital media to cast their vote.
- 2) The nominee with the majority of votes, but not sufficient to be eligible for a position on the GBLCC, will be the person to fill a casual vacancy should such a situation arise during the next duration of the elected GBLCC.
- 3) If the last two nominees for the final vacant position on the GBLCC cannot be determined, a further vote will be conducted to determine the nominee for the last Committee position.
- 4) Should the maximum 10 GBLCC Positions not be filled, a further call for nominations to fill the vacant positions will be made, which can be a second non-voting committee member from those clubs that are already represented on the committee. These nominations will be accepted and elected if approved by the GBLCC Chair. A non-represented club will take priority to fill these vacant positions over a club that is already represented, and then in order of applications received up to a maximum of 10 committee members. Maximum of 2 members per club.
- 5) Successful applicants will then be sent to the BQ Board to be ratified.

A member of the GBLCC may only be elected as follows:

- The nomination must be:-
 - in writing via the prescribed form; and
 - signed by the candidate and the GBL Club who nominated them; and
 - given to the GBLCC Secretary within the nominated time frame;
- A nominated member for the GBLCC must be a BQ registered member.
- If two members of the GBLCC are from the same GBL club, the club will only receive one vote on GBL matters and it will be documented who is the voting member from that club.

The GBLCC must ensure that, before a candidate is elected as a member of the GBLCC, the candidate is advised by the BQ CEO: -

- That public liability insurance is in place; and
- The limit of liability of that insurance.
